Event: **Annual Leadership Conference, January 2006, Orlando, Florida**

Notes: **1000 audience members, Standing Ovation**

"I've had nothing but great feedback from everyone I spoke with about Jason Jennings keynote speech!

It really hit the mark— more accurately, the mark was obliterated!

Here are some of the comments I've been hearing.

'Jason spoke with people in our firm BEFORE he presented... and the audience was locked in from the time he took the stage to the standing ovation at the end of the session.'

Jason shook hands with the souls of everyone in the audience.' "
